

**Val Verde Academy  
High School Campus Rules**

1. We do not have an open campus. No Students are allowed to leave campus for lunch or any reason and return.
2. All students need to go straight to the lab to check in with teachers. No student should go through the main office.
3. In the lab, if students need to see the Health Technician, Counselor, or Principal, they must request a pass from teachers as teachers will check with office and counselor before issuing the pass and notify them that student is coming. Students leaving the lab need to check in with teachers so teachers can communicate to District Security via radio call and District Security will be expecting that student at the gate.
4. ALL students must wait **INSIDE** the classroom with teachers until their rides arrive or until their regular scheduled release time: 10:30 a.m., 11:00 a.m., or 1:00 p.m. on M, T, TH, and F. Wednesdays students will be dismissed at 10:15 a.m. or 12:15 p.m. Any parent wishing to pick up their student at **NON** release times **MUST** enter the main office and sign out their child.
5. Any student walking on campus without a pass will be questioned and will be directed to Principal if there is an issue.
6. Students can enter campus at 8:00 a.m. for breakfast only in the MPR and then will head to 202 computer lab for first period starting at 8:30 a.m.
7. High School students hanging out on campus will not be tolerated. Students will be directed to the lab to work.
8. All High School students staying for lunch need to eat at their scheduled lunch at the lunch tables.
9. ***Phones are allowed in HS lab for personal music only unless causes disruption for other students. Refusal to turn over an electronic device to a school official upon request is defiance of authority and will result in further disciplinary action.
